

FINDING & DETERMINATION

IN THE MATTER OF AN ARTICLE 40.1 ENQUIRY BETWEEN

Stephen Manning (Applicant)

&

Michael McGrath, J., (Respondent)

A formal public hearing in this matter was held by The Peoples Tribunal of Ireland (PTI) on July 1st 2021 at the Criminal Courts of Justice on Parkgate Street, Dublin 7, according to the lawful and constitutional terms, conditions and authorities laid out in the respective PTI foundation documents; whereupon, after consideration of the evidence supplied by the Parties to this matter as to the question of any Article 40.1 violations of the Applicant’s Constitutional rights by the Respondent(s); and subsequent to the said public hearing in this matter; the finding of each of the assigned Adjudicators is as follows: *(*delete as required)*.

Adjudicator No 1: *(i) Application upheld. ~~*(ii) Application not proven.~~

Adjudicator No 2: *(i) Application upheld. ~~*(ii) Application not proven.~~

Adjudicator No 3: *(i) Application upheld. ~~*(ii) Application not proven.~~

Accordingly, the DETERMINATION of this Tribunal as approved by Council is:

1. That the Applicant’s position has been found to be unanimously upheld.
2. That the Respondent is in violation of Article 40.1 of the Irish Constitution.
3. That PTI Determinations 002 & 003 further apply in respect of the obligations upon Irish judges to respect the law and abide by the Constitution, whereby their statutory authority and jurisdiction is wholly and consequentially abandoned whenever judges knowingly engage in criminal offences whilst in performance of their judicial duties.
4. That the Respondent is therefore liable under the law for whatever penalties and/or corrective procedures that accrue from any and all such said ‘found’ violations.
